Dear Mr. Garcia,

It was a pleasure to meet with you earlier today. I would like to take this opportunity to congratulate you and your efforts to spread your unique message of peace and the need to protect and support the rights of children around the world.

In this upcoming year, as we near the beginning of the new millenium, let us hope and pray for the peace of our children and people.

With blessings from the City of Peace, Jerusalem I wish you much success in your journey

Sincerely,

Best wishes

Ehud Olmert
