Please consider this introduction to Danny Garcia, a former Marine who will be walking from Bayfront Park in Miami to New York City to raise awareness for children's rights.

As you can see from the attached information, this is an important cause and we would appreciate anything you could do for him while he is in your city. Mr. Garcia has informed me that the local media will be covering his journey

If you have any questions, please feel free to call me at 770-604-5363.

Thank you for your consideration.

Sincerely,

Autumn Hutton
